Hey Dean,

The client has accepted the Rehau alternative to the EziPit Maintenance Shafts - thank you for your assistance with our proposal. Please see attached PO 48731 for the abovementioned quote for your records. Have just ordered online - hopefully it has come through. All details for delivery are contained in the attached purchase order. Please ensure our site foreman (Clem) is contacted prior to delivery so we may ensure correct unloading equipment is available onsite. Any issues please feel free to give me a call.

Thanks!

Kind regards,

Lauren McKew
