Hi Alex / Tailah

The guys have just told me that they actually require 4 shower trim sets in total not the 2 originally discussed.

We are also short

1x Eurosmart basin mixer
1x Enware Leva 150mm Type 51 wall mounted mixer
Also one of the above Enware taps was missing the Hot handle when un packages.
everything on the attached quote

The attached quote plus the above should see us 100% complete.

Regards,

Jason Morris

Thanks Tailah,

Jason,
Can you please advise if the below and attached captures everything that you're waiting on to finish the project? Is there anything on the below list from Tailah which you don't require? If not, Reece can get it here tomorrow.

Levi,
Has the quote been approved?
