The persons who have signed this Toolbox Meeting have understood what has been discussed and will adhere to all requirements and conditions.

Subjects Discussed

Site Access – The Rear Stairs will provide emergency exit for site in the event of an emergency
The Rear exit is only to be used in the event of a emergency – not general entry or exit. Site Supervisors
Will be notified once this is available which will be only after the second stair becomes closed.

Reminder – ensure the lower truck entry is not used for pedestrian

Supporting Documentation

Eg. Safe Work Method Statements (SWMS), Hazard/Risk Assessment, Inspection & Test Plan
(If presented, staple to back of this form)
