Afternoon Tat,

Please see below for comment from WCQ, please let me know if you need further information. Thanks.

Morning Rachel,

To answer your sliding doors question, the sliding door has not been deleted and is still being installed, an additional door has been installed on the other side of the room to replace louvers, hence the credit, I have attached a marked up plan showing you the additional door replacement and the sliding door still in its original form, if you need more please let me know.

Please note too we have picked up a miscalculation, please see amended variation.

Thank you

Caite

Kind Regards

Rachel Ryan
