

Vendor Code of Conduct

This Vendor Code of Conduct aims to encourage, educate, support and, where appropriate, mandate requirements that will assist the companies that provide goods and services to us to contribute to a sustainable business operations.

This Code of Conduct outlines our commitment to, and expectations of, its Vendors and the production and delivery of all their goods and services.

The Code of Conduct applies to all vendors employed across all areas of our operations. Vendors who engage sub-contractors are encouraged to share the code of conduct principles with them.

It is our responsibility to ensure that there is fair and open competition, there is no fraud and collusion, that vendors comply with the laws, regulations and standards empowered to regulate the industry in which it operates. We care about everyone, and aim to provide a diverse and welcoming environment.

Laws and Regulations

It is up to the Vendor to ensure that they comply with all the relevant local and national laws and regulations in which they operate. This includes, but not limiting to, environmental, employment, and governance.
