

PRACTICAL TASK

You are required to have a suitable observer verify your ability to complete the following tasks. These tasks may be simulated or real.

TASKS	VERIFIED
- In a small group, show leadership while conducting a safety audit of plant used in high-risk work that requires a permit. - Check fluid measurements and guards, as required - Check logbook and maintenance records - Observe isolation and tag out systems	☒
- In your small group, document potential hazards and their causes in a risk register, identifying: - Possible injuries/damage - Required control measures (referring to legislative and organisational requirements) - Risk assessment results	☒
- Collaborate with others to consider current organisational policies/procedures and offer recommendations for the following areas: - Hazard management - Monitoring and reporting compliance with regulatory requirements for registration, licensing and certification (including organising training)	☒
- Electronically and orally present findings to appropriate persons (e.g. PCBU, Trainer/Assessor). As part of the presentation: - Identify the duties, rights and obligations of individuals/parties based on findings of audit - Identify factors that will impact on WHS risk management - Explain how control measures will be implemented, monitored and reviewed for effectiveness	☒
Name of observer	JUDI KUBACH
Role of observer (Confirm their suitability to sign)	☐ Trainer/Assessor ☒ Other (specify): OFFICE MANAGER
Phone number of observer	0413 152 916
Email address of observer	mail@tlec.net.au
Signature of observer	
Date	Click here to enter a date.
Comments	Maryanne is very thorough in all aspects of WHS.
