Dear Lisa

We are currently awaiting engineering for the above job and will forward through to you as soon as received.

The client would like an indication of start date as they need to source alternative accommodation.

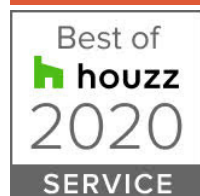

We have already received the relaxation for this job, can you please advise an estimated turnaround for the full approval?

Many thanks for your help, I look forward to hearing from you.

Kind Regards,

Laura Snow

Hi Laura

So on this one we need fees paid of \$2130 on invoice 015979

We need new plans that don't say prelim, not for construction

Then we'd need QBCC and Qleave, Engineering and form 15

Once all that is done it's only days to approve, if that

Cheers

Kind Regards

Lisa Smart
