SPECIAL LENGTHS IN STANDARD WIDTHS AND THICKNESS

Special lengths are available when scheduled with normal production runs.
For lengths of 2100mm and over the minimum quantity is 4 packs per size.
For lengths under 2100mm, please enquire.
Production over-runs of up to 10% must be taken.
Lead Time: Generally 10 working days.

SPECIAL WIDTHS - BOUND EDGES AND STANDARD THICKNESSES

Minimum quantity on application.
As a guide - minimum quantity 4000 square metres for 10mm, 13mm and 16mm thicknesses.

SURCHARGE

Price on Application - calculated on the ex factory list price based on the actual width of board as run, plus a surcharge for a special run, waste paper, reject material and over-run.

SURCHARGE

Calculated on ex-factory list price plus cutting charges and waste Gyprock Plasterboard.

- Generally 10 working days are required to produce non-standard sizes.
- Because orders for special lengths, widths or thicknesses cannot normally be used elsewhere, such orders cannot be later cancelled or modified and must be paid for by the customer whether taken, or not.

RETURNS

All returns are subject to CSR's returns policy. Standard freight rates will be charged for all returns using CSR provided transport. A 15% restocking fee will be deducted automatically from all credits resulting from customer error.

Terms of Delivery

These Terms of Delivery shall be read in conjunction with and subject to our Terms and Conditions of Sale.

In the following, 'you' means the individual, partnership, or corporation to whom goods or services may be supplied. 'We' and 'us' mean CSR Building Products Pty Ltd.

DELIVERY

Any advice given as to the intended date of delivery is given subject to the goods ordered being available and us having the capacity to effect delivery on that date.

INDEMNITY

Except where any claim for damages results only from our negligence or the negligence of our carrier, you will indemnify us and our carrier against any claim for damages related to the entry of the carrier's vehicle on to the delivery site.

DELIVERY AND UNLOADING

Under the Occupational Health and Safety legislation, persons in control of workplaces must ensure the safety of the premises and the access to them. You must:

1. Provide legal parking in a safe place and within a reasonable distance from the delivery area.
2. Ensure that access to the delivery area and the delivery area itself are safe.

For example, parking must not obstruct footpaths or be in No Parking Zones; access must not be by narrow planks or planks without guard rails. Failure by you to observe these requirements entitles the driver to:

1. Stack the goods on site with a temporary polythene covering and at your own risk, or,
2. Return the goods to the store for re-delivery with the cartage for the aborted delivery being debited to your account.

DELAYS BEYOND OUR CONTROL & SUPPLY BY INSTALLMENTS

We reserve the right to supply in installments where delay in manufacture or delivery has been caused by or is incidental to an Act of God, war, internal disturbances, fire, breakdown or machinery, fuel or power shortage, strike, labour dispute, restriction of transport facilities or arising out of any event beyond our control. If any of these events occur, causing delays in delivery, we will make delivery as soon as possible, having regard to our obligations to all customers and late delivery or failure to make delivery as a result of such delay will not vitiate the contract.

SUPPLY BY INSTALLMENTS

An agreement to deliver goods in installments shall be deemed a separate agreement for sale subject hereto for each installment.

UNLOADERS

Cartage charges allow for one unloader with the driver in Zones A and B.

RE-DELIVERIES

If goods have to be returned to the store for re-delivery due to the customer not meeting any obligations made at the time of order, the customer will be charged for the cartage of the original delivery, the cartage for return to store and the later re-delivery.

CUSTOMERS ACCEPTANCE

All orders placed with us after the effective date of this price list will be deemed an acknowledgment of your acceptance of the aforementioned terms.

Terms of Sale

These terms of sale are subject to the CSR Building Products Terms of Credit and Terms of Sale contained in the application for Commercial Credit. In the event of a conflict between the CSR Building Products Terms of Credit and Sale and these CSR Gyprock Terms of Sale, then the CSR Building Products Terms of Credit and Terms of Sale shall prevail. In the following 'you' means the individual, partnership, or corporation to whom goods or services may be supplied. 'We' and 'us' means CSR Building Products Pty Limited.

BY ORDERING GOODS OR SERVICES FROM US YOU AGREE THAT -

The price will be the price current at the time of delivery plus freight and handling and any goods and services or similar tax unless otherwise agreed in writing.

We own the goods until they are paid for.

Goods supplied to you remain our property until we receive payment for all amounts you owe to us. If your account is in default we have the right to enter your premises (or the premises of any associated company or agent) to retake possession of the goods, without liability for trespass or damage. If you resell the goods, or if you sell products manufactured using the goods, then you must keep the proceeds of the sale in a separate, identifiable account until we have been paid in full.

Goods are at your risk.

From the moment of delivery or collection. We are not liable for any claim or loss arising from the loading, transporting, or unloading of goods that you collected.

Warranties and representations.

We make no warranties or representations about goods offered for sale other than warranties contained in these terms of sale. We warrant only that goods offered for sale will be generally similar to other goods of the same description. You accept that any particular delivery of goods may vary from goods of the same description displayed, advertised, or delivered on a different occasion. To the fullest extent permitted by law, all terms, conditions, and warranties, statutory or otherwise, not expressly provided in these terms of sale, are excluded. To the extent that

1. Any term, condition, or warranty not expressly provided in these terms of sale cannot be excluded due to the provisions of section 68A of the Trade Practices Act 1975 or any other statute, and we breach such term, condition, or warranty, or
2. You make a claim as provided below and we agree that the goods were damaged or defective at the time of delivery our liability is limited to (at our option) replacing the goods or (if we do not have sufficient stock) crediting you with the purchase price of the goods.

Delivery.

We will deliver the goods to the delivery address shown on your order. We will unload the goods at kerbside adjacent to the delivery address unless:

1. You ask us to unload the goods elsewhere, and
2. You provide council-approved crossing over kerbs and footpaths, and
3. The carrier is satisfied that access is safe and reasonable.

We may charge waiting time if the carrier is delayed at your site for more than one hour for reasons beyond the carrier's control.

If the carrier cannot identify the site because the delivery address is inadequate, the goods will be returned to store and you will be charged cartage. You indemnify us and our carrier against any claim for damages resulting from the entry of the carrier's vehicle onto the delivery site.

Claims.

We will consider a claim for credit if the claim relates to

1. An error on our part in delivery or invoicing, or
2. Defects or damage affecting at least five percent by number of the goods delivered.

You must tell us about your claim by phone within 48 hours of delivery and in writing within seven days. The goods must not be removed from stacks after delivery other than to inspect them. We are not liable for any loss or damage you suffer as a result of our failure or delay in performing the contract due to reasons beyond our control.

TERMS OF CREDIT

In the following 'you' means the individual, partnership, or corporation to whom credit may be granted. 'We' and 'us' mean CSR Building Products Pty Ltd.

BY APPLYING FOR CREDIT WITH CSR, YOU AGREE THAT -

You will settle your account at 30 days. We must receive your payment by the last working day of the month after the month of invoice. Any variation must be agreed in writing.

You are liable for debt collection, legal costs and interest. You must pay any dishonoured cheque fees associated with cheques received by us in payment of your account. You must pay any collection, legal or other costs we incur if your account is in default. You must pay interest on overdue amounts calculated at the Westpac Banking Corporation overdraft rate plus one percent.

You will tell us if your details change. You must tell us in writing if there is a change to the details given on your commercial credit application.

We may withdraw credit at any time. We may withdraw your credit, withhold supply, or put your account on hold, at any time and without prior notice.

We may assign our rights. We may assign our rights under this agreement.

We may change these terms. We may change these terms of credit if we give you written notice of the change.

The account may be closed. Your account may be closed by you or us on seven days written notice. Your account will be closed without notice if you do not use it for 12 months. You must settle any outstanding amounts at the time your account is closed.
