Hi Lorna,

Thank you for your time on the phone.

As discussed, please see below with regards to the following scope item: *Subcontractor to allow to make good existing mall ceilings as required nearby new shop front entrances.*

ATG would like this item to remain and can confirm this only relates to the 3 x new Mini Major Shop Front Entrances where M7 have allowed to install new bulkheads. ATG confirm the scope item only relates to these 3 x areas and no where else throughout existing mall ceilings.

ATG are happy to accept all other amendment proposals M7 issued via email on Wed, Feb 17, 2021 at 10:56 AM.

Thanks,

Kind Regards,

Hi Lorna,

My apologies, I have in my notes to call you today.

I'll call now to discuss. All items are okay except for the one in the SOW regarding patching existing mall ceilings inline with Shop front Bulkhead works.

Thanks,
