

East Coast Concrete Daily Pre Start

Weather Conditions:

Date: 23/11/21

Project: 443 Queen st

Pre Start Carried Out by: kristen

COVID-19 (Coronavirus)

- Ensure "Social Distancing" is maintained, if workers are required to work in close proximity, they are advised to wear additional PPE- P2 masks, glasses & gloves.
- Workers are to wash their hands with Soap & Water at regular intervals,
- Cover your nose and mouth and turn away from other workers when coughing or sneezing,
- Avoid touching your face,
- Avoid touching hard surfaces where possible, (handrails, lift / hoist buttons, door handles etc)]
- Ensure "Social Distancing" is maintained during pre starts, toolbox talks, job planning, meetings etc,
- Avoid sharing tools & equipment, radios, stationary and when required to operate site machinery ensure to wipe down all touch surfaces prior to and after each use.

Ensure you "Do Not" attend work:

- If you have a sore throat, dry cough, a fever or you are displaying any symptoms of COVID 19,
- If you have had any contact with a person who has tested positive to COVID 19 in the last 14 days,
- Anyone displaying any symptoms of COVID19 must immediately advise their manager, leave site and consult with a medical practitioner and follow all medical advice.
