Subject: T-MSC2021-02 - Mason Street Trunk Gravity Main Duplication - Prestart Documentation
Attachments: Prestart Letter - T-MSC2021-02 Mason St Trunk Gravity Main Duplication.pdf

Hi Morris,

In accordance with Clause 1.9 of the General Specification and Clause 24.1 of the General Conditions of Contract, please find below fgf's prestart documentation for the above-mentioned Contract for Council's review and approval.

 [T-MSC2021-02 - fgf Prestart Documents - 7.04.21](#)

Prestart Letter attached outlining documentation submitted.

Outstanding documentation below to be submitted in due course:

- Traffic management plan pursuant to clause 2.13 of the General Specification.
- Updated program which complies with clause 1.10 of the General Specification.

We will return the signed Contracts and submit the Original Bank Guarantee's to Council this Friday 9th April 2021.

Please let me know if you require any further information to issue Possession of Site.

Kind Regards,

Jarryd Londino
Project Engineer
