Good Morning Amanda,

Thank you for providing your quote for toilet hire for our upcoming Mason St Sewer project. Please find attached our purchase order #49422 in this regard.

Works are due to commence on site around the week of 10th May 2021. We will likely require delivery of the toilet some time during that week – I can't confirm an exact date at the moment as it will depend on how our mobilisation goes so if acceptable to TGT I will get our foreman, Vince Bailey (ph: 0428 778 322), to arrange delivery closer to when the toilet is required during that week. Could you please advise the minimum amount of notice you will require for delivery that would be much appreciated.

Delivery will be required along Stratman Street (off of Rankin Street), Mareeba. Vince will be able to advise precise location once we have mobilised on site.

Please let me know if you require any further information.

Kind regards,

Lauren McKew

Hi Lauren

Thanks for your email. We can do a 16 week block hire for \$960. This includes delivery, monthly pumping and collection. Weekly hire thereafter is \$75 per week. We have very few toilets available at the moment, but if you would like to go ahead with a booking please let me know.

Hope this helps.

Thanks

Amanda Ikin

Hi Amanda,

Thank you for your time just now. As discussed, we are commencing works on the Mason Street Sewer Trunk Gravity Main project in Mareeba in the next couple of weeks. We require a quote for hire and routine cleaning for a portable toilet for the duration of the job. We will likely require hire for approximately 5-6 months. If you could please provide your quotation including delivery to site and cleaning as mentioned that would be much appreciated.

Please let me know should you require any further information. We look forward to receiving your quote.

Kind regards,

Lauren McKew
