ASSA ABLOY is represented in all major regions, in both mature and emerging markets, with leading positions in Australia, Europe and North America.

As the world's leading lock group, ASSA ABLOY offers a more complete product range of door opening solutions than any other company in the market.

Openings Studio is a suite of BIM software tools for creating and visualising 3D doors, frames, and hardware objects for use in design, construction, and facility management. This program enables our consultants to write schedules with greater efficiency and contains built-in workflow tools for RFI's, change management, and collateral material.
