Subject: 1544: Freyssinet Cooper Creek Beams

Hi all,

Minutes from Friday's handover for 1544 Freyssinet Cooper Creek Beams are below.

Discussion re TMR spec. Resolved: TMR spec not applicable for this package as it is temporary.

Discussion re workshop drawings. Resolved: George sent through full suite prior to handover.

Discussion re Plate processing. Resolved: CF received quote from Jerry @ Vulcan prior to IFC drawings. BP to issue updated drawings to Vulcan.

Discussion re program and delivery. Note: client expects 2-3 week delivery. All beams are to be delivered (to Freyssinet Eagle Farm) at the same time as they need to be forwarded by client to Mackay for installation ASAP.

Discussion re program dates. Resolved: refer not above re client expectation. PO dates to be confirmed.

Discussion re T's & C's. Resolved: RP/pre-con to make sure these are in-line with previous and confirm PO with client.

Discussion re PO sum. Note: originally quoted \$97,200, we revised this to \$95,000. Client then proceeded to issue PO for \$97,500. Resolved: expect possible discount of \$2,200.

Please ensure you sign the handover document [here](#)

Cyber fraud warning

There has been an increase in the number and sophistication of criminal cyber fraud attempts. Please telephone your contact person at idec Solutions (on a separately verified number) if you are concerned about the authenticity of any communication you receive from us. It is especially important that you do so to verify details recorded in any electronic communication (text or email) from us requesting that you pay, transfer or deposit money. This includes our bank account details, as recorded in the first of our tax invoices you receive. Note that we will never contact you by electronic communication to tell you of a change to our payment details.
