BSBPMG511 MANAGE PROJECT SCOPE

Practical Task 1	
Description of task: A suitable observer is to verify the participant's ability to obtain project authorisation, develop a scope management plan, and manage the application of project scope controls.	
These tasks may be simulated or real. The participant is to gather evidence of how they have completed each component of the Practical Task, which is to be submitted with this Practical Assessment sheet. The observer is to provide detailed comments on the tasks completed by the participant. The assessor is to verify the observer's comments in the Assessor Comments section, and provide the Practical Assessment outcome on the front cover of this document.	
Resources required: Project documentation, Organisational documentation.	
Assessment of task	
Name of participant:	Paul Blake
Name of observer:	Brundan Whittaker

1.3C. Identify and document scope management issues and recommend improvements for future projects.	☒
The participant's performance was: ☒ Satisfactory ☐ Not Satisfactory	

OBSERVER COMMENTS

Met with the client on site to discuss what fence they wanted built and to inspect the site.

He then provided the client with a quote to build the fence.

If client was happy with the quote then they were required to sign the quote and pay the deposit so that construction could commence.

Quote included cost, time frame to be completed.

Client to sign supplier invoices for materials before works begin to ensure they are happy with the product.

Once fence is completed customer to sign final inspection report.
