OBSERVER COMMENTS
Identify & address Stakeholder interests – Leanne showed me her Stakeholder Analysis for a potential future project. I think she identified the stakeholders, their interests, expectations and forms of engagement reasonably well. Manage effective stakeholder engagement - I am confident Leanne would be able to effectively manage stakeholder engagement, based on what was in the Stakeholder Analysis and how I have seen her interact with stakeholders on previous projects. Manage stakeholder communications – I think Leanne would communicate with stakeholders effectively based on her actions that I have seen on previous projects. She seems to have considered WHEN and HOW the various stakeholders would be best communicated with, fairly well.
