

Warranty Activation Form

To initiate your Termite Protection System warranty you must complete this form in full and return it to Bittn Pest Control within 30 days of taking possession of your new property.

Congratulations on the construction or renovation of your home. During the construction works Bittn have installed your termite management system in conjunction with your builder to meet council and building guidelines.

Please be aware that the product manufacturer of the termite protection system requires your property to be inspected annually by the authorised installer to extend your cover. By completing the information below it will help us to;

- Update our records and contact you annually to remind you of when your termite inspection is due.
- Register your warranty with the termite barrier manufacturer.
