Dear Mark

Contract CN-8766
RNAU - Main Contract
RFI-0918 Further Response – Comms clash between SW Pit 2/161 and 3/161

I refer to the Administrator's previous letter (ref: OG CS1806.02782) on 8 April 2020 advising a formal IFC Drawing for RFI-0918 will be issued by the Principal in due course.

The Principal's Designer has provided a revised Stormwater (Drainage line 161) drawing (enclosed) with this correspondence:

- DD-LS-12-779855-C

The updated Drawing Register / Transmittal is attached for your records.

Please contact me if you have any further queries in relation to the above.

Regards

Mark Prideaux
Contract Administrator
