Notice of Works

Dear Occupier/Tenant,

Core4 have been engaged by the Body Corporate Committee to undertake repairs to **Retaining Wall & Concrete Driveway** the abovementioned property.

We will be on site from **Monday 10th July at approx. 7am**. Please note that whilst our team are scheduled to start at 7am they might be gathering materials for the project however will be on site in the morning.

Access to these areas will be limited during the project – we apologise for any inconvenience this may cause.

We suggest that any large items that are needed from the garages are removed prior to these works commencing. Vehicles will not be able to be stored in garages for the duration of this project.

Please note we will also require access to carparking during these works for our trades & equipment.

Works may take up to 4 weeks & is subject to weather. There will also be a concrete curing time of approximately 1 week – there should be no vehicle traffic during curing.

If you have any questions, please contact our office 1300 267 333.

Kind regards,
Jade Carter
