APPLY CONSTRUCTION INFORMATION TO THE SALES PROCESS

Practical Task 1 (2X)

Description of task:

On two (2) occasions, a suitable observer is to verify the participant's ability to apply construction information during the sales process in order to develop the customer's knowledge of construction processes and the effects on the contract and building timelines.

The participant is to gather evidence of how they have completed each component of the Practical Task, which is to be submitted with this Practical Assessment sheet. Evidence to be submitted may include:

- RFI and relevant correspondence with client
- A variation, price and acceptance by the client

The observer is to provide detailed comments on the tasks completed by the participant. The assessor is to verify the observer's comments in the Assessor Comments section, and provide the Practical Assessment outcome on the front cover of this document.

Resources required:

Two (2) sales contracts.
