

This permit is only valid for [redacted] or structure that complies with the Plumbing and Drainage Regulation 2019 s37. If the proposed plumbing and drainage work does not meet these criteria a new application must be submitted to Council for assessment prior to the work commencing.

Appeals

If you are dissatisfied with the decision to impose the above conditions, you are entitled to appeal to the Development Tribunal (Ch 6, Planning Act 2016).

An appeal must be lodged within 20 business days after the date of this document. You can lodge an appeal by submitting a Form 10 - Application for Appeal/Declaration and the prescribed fee to the Registrar.

Further information is available on the Department's website at www.hpw.qld.gov.au or contact the Registrar at registrar@qld.gov.au.

Note

This permit will expire on 10 June 2026 unless a request for an extension is submitted and approved by Council.

This permit only relates to works proposed, assessed and performed under the Plumbing and Drainage Act 2018 and does not cover other regulatory approvals that may be required prior to or during construction.

When booking inspections, please use reference number 1 [redacted]

If you have any questions, please contact Plumbing Services Group on 3403 8888 during business hours.
